

How do we score our Estate Inspections?

We will scrutinise up to a maximum of 48 different elements in your neighbourhood

These elements could include:

- How well the communal grass is cut
- How much graffiti is evident
- How much rubbish and litter is evident
- How well the communal windows are cleaned
- How clean are the communal floors

And much, much more!

The categories inspected will be judged to be either:

Very Good	Good	Poor	Very Poor
Scores 4	Scores 3	Scores 2	Scores 1

We are striving to be **"GREEN"** and deliver you the best of Estate Services
